Got it?
Let's start!

Originally,
the world has only one Eve
She is the "Balance"
of the world
where she maintains the nature,
peace, equality, and beliefs
But beyond that,
there is one who's adverse
on the "Balance" and that
is the Evil Knight "Imbalance".
He is the epitome of pure evil
and destruction. He strains
to destroy whatever Eve had
created. He is the Evil Knight
of Destruction and Chaos,
the opposite of Eve
There was a time when they crossed
each others' paths, they fought and the imbalance won the battle
by defeating Eve. He nearly destroyed half of the world during
the fight. He is the sole reason as to why Eve extracted herself
to 5. Eve wants to preserve her existence and prevent the
Imbalance from destroying the world completely
But the Evil Knight also died after he defeated Eve. And now,
there's an organization who wants to resurrect him. As to why
they want to resurrect him remains unknown.

Now the world has 5

Where did I go wrong?
I've done everything I could to forget the past, tossed everything behind.
I don't want to repeat the tragedy I created in the past. I know these memories are a part of my life.
I'm a monster
But why.. why?!
But even so,
I need to throw the
pick up
I
I have
I destroyed.
Why? Why must you appear now?

Did I make the right decision?

After
Uhh she's looking at me again. *sigh*
Of all people in the world why does it have to be me?
It was too late when I realized that even if I hide the things that I've done, there will always be someone who will notice me. Does she know?
Is it just a coincidence? Or maybe, it's just my imagination?
Okay class, the lesson I discussed today will appear in the exam.

Exam? Which one? Ah! I wasn't paying attention at all. Ugh.
I guess I'll just wait for lunch break.
He...Hello, Xavier. how are you?
I'm ok.

Ahh it was just Meio I thought it was someone else
I have a question, did something happen between you and Class Rep?
She's always staring at you, you know.
Even I'm curious as to why she's always staring at me.
Shit she almost saw what I've been doing with the notebook
Nothing! It's just nothing, I guess...
Oh is that so?

Or maybe the truth is that you guys are in a LOVE quarrel!?
This girl...!!
I don't see any acceptable reason as to why she's looking at me and it's unclear that she has feelings for me because her stare is deep and intimidating
It's like she wants to kill me
Uhh, what I only want is a peaceful surrounding and living
If I were asked what level of society I'd like to be in I want to be in a normal and eccentric one
Yes...the best place for me to eat my lunch and my lunch for today is bread as always. So nutritious, isn't it?

EHHK!?
I take back what I just said
UHHHHH WHY!??
Hello. Good afternoon
Hi. Good afternoon to you as well.
It's a nice weather today, right?
Yes huhu T_T
Why is this happening to me?

Do you like anyone from this school? I mean love or crush?
That came out of nowhere. None, I guess
I just want a peaceful life without problems and troublesome thoughts
Why do you say that? Isn't that boring?
I don't know, people have their own preferences
Uhh, turns out our conversation became normal
What do you think about this world?
I don't want to ruin it but I'm curious as to why she's always staring at me. Maybe I should ask but...
Uhh... Nevermind
Huh? Hmm, peaceful? And normal
You think so?
Yes, in my own perspective
Why are you always alone?
I just want a quiet life.
Eh? Nothing,
You don't make any sense.
I know. But that's the truth.
Ugh! She's asking too much!

Our conversation ended right after I finished eating.
You don't make sense at all.
You're one of my suspects, Xavier I'll make a plan to prove that you're an -
